General Membership Meeting G.S.H.S. Inc.

On May 19, 1980 the Gen. Membership meeting was held in our usual meeting place, First Federal Savings &Loan Co. Community Room at 2:05 P.M. Thirteen were in attendance. After the reading of the minutes by the Secretary, which were approved as read the report of the Treasurer on financial affairs, was read and accepted. Under new business the secretary reported some instances at the Shelter that were in need of the consideration of the entire humane society. Due to excessive overcrowding of stray dogs that had been brought to the Shelter, several dog fights had taken place... some ending in injured pets and three dogs were killed in fights. Judy loves the dogs and felt that she could care for them only if she had a few spaces divided in a way that fewer dogs were allowed to be thrown together. She talked with her husband, who was thoroughly familiar with the solid rock under the area and as a native he is a capable judge of situations of this nature. Some existing fences are in need of strengthening and repair. The motion that all existing fences be repaired and a holding pen to accomodate very large dogs, and three or four dividers placed in the large area where so many dogs are thrown together. Judy also felt the need of a separate pen for puppies. This motion was seconded by Mr. Arnold Feyh. After a discussion about finances, and Mr. Phil Schloss urged that the work be done in its entirety as a project for 1980. He further made suggestions for an all out campaign to raise additional funds. The motion carried by a large majority, and a committee was asked to make further investigation. This committee consists of Cliff Cox, Arnold Feyh, and Phil Schloss. The work was supposed to start as soon as possible.

Mr. Arnold Feyh asked Miss McLaughlin to submit a report on a court case she had recently attended as a witness and concerning abuse of seven dogs. She said a decision was to be announced one week after the trial, in municipal court. And could only "hope" the sentence or fine would be adequate.

Mr. Phil Schloss reported a meeting of Downtown Merchants Association for that same night (May 19th) regarding a group insurance plan in which any members of G.S.H.S. were eligable to belong.

A guest was introduced... Mrs. Gayle Benge owner of Eureka Springs Boarding Kennels at Beaver. Mrs. Benge explained her various steps in boarding, bathing, clipping, dippingand all that was included in the grooming of pets. She told of the present number of boarding facilities they have and the number they started out with. As most members have pets, we were equally interested to hear of the new boarding place for pets.

Mrs. Esther Silander made an announcement about a meeting which was to be held at the Grange that same evening. Pat Pinkley was the scheduled speaker.

Meeting adjourned at 3:30 P.M.

Cliff Cox opened the meeting at 2:05 P.M. The minutes of the previous meeting were read and approved.Treas. report was read and approved.

Thirteen members were present.

The subject arose about how to create legislation which will require the spaying of all female pets and decrease the possibility of more abandoned and mistreated pets. It was decided that it will be proper to first discuss the matter with the county health officer.

Mr. Jack Muzio was a guest speaker, who spoke on the very great problem Eureka Springs is now facing regarding the sewage disposal system, and how it must be updated to accomadate the citizens as well as tourists.

Before adjourning a roundtable discussion was held on such subjects as food prices at the animal shelter ,trash cans for the shelter and hay that was recently donated for use at the shelter for a number of dog houses.

No unfinished business was brought up for completion.

GEN. MEMBERSHIP ...G.S.H.S. INC.

On Jan. 21, 1980 the bimonthly gen. membership meeting of Good Shepherd Humane Society, Inc. met in 1st Federal Savings and Loan Hospitality Room in Hart's Center. President called meeting to order at 2:05 P.M. Fifteen members were present. Minutes of previous meeting were read and approved. Treasurers report was presented in detail, and accepted. New business consisted of; Pres. explained the opportunity we had to participate in the Plan of the Elk's Lodge who are opening a collection station, for aluminum cans, plates etc. to be sold to a re-cycling plant in Joplin, Mo.
Mrs. Beverly Wright brought up the subject of visibility being impaired to the Animal Shelter, and wondered if the county or state road crew would cut some of the brush out. Mrs. Wright also appealed to the group of the very real problem facing the entire area unless an effort be made to urge veterinarians to hold spay or neutering clinics. Miss McLaughlin has discussed this matter with Dr. John Muller, local veterinarian and reports his willingness to co-operate if we can entice the other two vevs. in the county to hold clinics in their own towns and surrounding area... all to agree upon the same charge. He agreed to lower his fees as much as possible. It is up to other members to contact the other veterinarians. Every day, however, that this is neglected only adds to the possibility of more litters of unwanted, usually abandoned, puppies and kittens who face a very sad plight.
Mrs. Wright also expressed her deep respect for Jerry Stamps willingness to obtain any drugs, ointments, etc. and how he gives the Humane Society very good prices.
Mr. Jerome Rosewater, the loyal volunteer at The Shelter sent word of the very real problem he faces at the shelter in the disposition of the animal feces which he rakes up several times each week. No workable solution to the problem seemed at hand.
The photographs which were taken of Richey Watson'n two dogs were shown to members to choose their favorite poses to be finished and framed. This was a farewell gift to one who had served so faithfully since the organization of this Humane Society. A small piece of jewelry is also to accompany the framed pictures of Richey's beloved Pets.
We were happy to have with us some new faces as well as a few who had not attended for some time.
Meeting was adjourned at 3:15 p.m.

Clifford Cox called for the reading of minutes of the previous meeting. These minutes were read and approved. The Treasurers report was presented in a detailed and interesting manner and accepted as read .

At this meeting two additional Board of Directors were elected. This brings the number of Directors to eleven.

A matter was discussed about Steve O'Callahan who was night-watchman for a brief period, at the Shelter after two acts of vandallism on our Home for the Homeless animals. It was reported by the Treasurer that Steve had been taking advantage of his Shelter job...making long distance phone calls,feeding his own dog food from the Shelter (especially using the treats meant for the unfortunate strays), and himself consuming milk from the refrigerator. Mrs. Watson said that when she saw over $90 in long distance calls, she checked with Judy. Upon determining that Steve was responsible, she dismissed him. At last the small house on Shelter property is being utilized.And this also was discussed, as it has many times before. No committee reports ,unfinished or new businesss was reported. General Membership Meeting

On May 29,1979 the regular Annual meeting for the general membership of the Good Shepherd Humane Soc. Inc. was held in the Community Room of the Bank of Eureka Springs at 2 P.M. Only 13 were in attendance. Cliff Cox the President conducted the meeting. As the annual meeting is intended for the election of board members. The three who's time expired in 1979 - Clifford Cox, Arnold Feyh, and Phil Schloss. WERE REELECTED
The minutes of the last general Membership meeting were read and approved. The Treasurers report was given in an interesting way, and was approved. This report lead to a discussion by the members concerning the Thrift Shop and how this Chief source of income has been, and still is invaluable to the operation of the animal shelter. Again our deepest gratitude was expressed to these fine Ladies.
A brand new Board Member was presented- Mrs."Skip"Sackett was welcomed to our group.
The Board members whose time expired in1979 were reinstated for a three year term- motion was made by Mrs. Watson and seconded by Miss Wittenmeir.
Upon request of a former Board Member, Miss McLaughlin told of a friend who wants to make monthly trips to E.S. to groom dogs. She lives in Dallas, Texas. Her problem being the inaccessability of a room to use for only two or three days each month. She wondered if it might be agreeable to the Humane Society here that she use space at the Shelter in exchange for a generous contribution to our Society. This was not considered nor discussed further. Mrs. Watson very generously offered the use of her basement, should the young lady care to make other arrangements.
In lieu of so many occasions when it might be thoughtful as well as courteous, to extend sorrow or gratitude, etc. and as all organizations find this consideration necessary and helpful toward making more friends, a motion was made by Miss McLaughlin that the President appoint a Courtesy Committee. Mrs. Sackett volunteered to do all she could to help, and was appointed Chairman of this new Committee. Others who agreed to serve on this committee are Mrs. Doris Paul and Miss Winifred Hancock.
Mr. Arnold Feyh brought to our attention the fact that the few cats at the shelter are very unhappy confined in their cages. He suggested we hire a carpenter to build some sort of enclosure for the cats to be outdoors a part of the time. Motion was made by Mrs. Thomas and seconded by Miss Hancock for Mr. Feyh totalk to Bill McClelland about the matter. This motion carried.
Mr. Feyh reported his discussion with Arley Weems about the access road to Shelter Area. Arley lost no time in bringing his "back hoe" and cleaning the stream beneath the small bridge. This has solved a very real problem we have been unable to "right" for a number of months. Mr. Weems most generously donated his time and "know-how" to the Humane Soc. His kindness was mentioned in Miss McLaughlins Newspaper column Shelter News and gratefully acknowledged.

THE GOOD SHEPHERD HUMANE SOCIETY, INCORPORATED
GENERAL MEMBERSHIP MEETING October 25, 1976

A General Membership Meeting of THE GOOD SHEPHERD GOOD SHEPHERD SOCIETY, INC. was held in the council chamber of the Eureka Springs Court House, Monday afternoon at 2:00 6'clock on October 25th, 1976. There were 18 members present.

Mr. Mayer called the meeting to order at 2:00 o'clock and asked the secretary to read the minutes of the previous general membership meeting which was held June 28, 1976, to be followed by the treasurer's report. Minutes approved as read - Treasurer's report accepted.

Mr. Mayer introduced Miss Marynancy McLaughlin and Mrs. Mary Alice Miller who have become Directors of the Board since the last membership meeting.

Mrs. Nichols had told the Board about a friend who had a mother dog and her puppy who was also a female. These people said they should like to keep both dogs, but could afford to have only one spayed. They felt they would have to give up the puppy. Mrs. Thomas offered to pay for one spaying, and Mrs. Nichols promised to speak to these people and let Mrs. Thomas know. At this meeting, Mrs. Nichols said the people would be grateful to Mrs. Thomas and would very happily keep both dogs.

Another shelter story - a man came into the thrift shop with a tale about nine puppies having been dumped on his place. He was unable to find Otto, so just took the puppies down to the shelter and left them in a box outside the fence. Otto had taken two sick dogs to Berryville to be put to sleep that morning, and was astonished to find nine more to go. This was a day for Otto not to remember! The truck broke down and in attempting to get it going again, he sustained two broken ribs! He borrowed Mrs. McGrade's car and took the puppies to be put to sleep the next day.

However, October 25th was a good day. That morning a home was found for "Bob" who loved people, but hated other dogs. He had been kept in a pen by himself for months because he was a beautiful dog and adored people. Recently, Bob had seemed to reform and had been amiable with a couple of other dogs. The home he went to sounds wonderful, a place with 109 acres and a lovely young couple for owners.

Also, recently a spayed female we had cared for for over a year, got a god home.

Two Dalmations, spayed females, separated from their owner were given back and will be with him most of the time. A friend next door to the health farm where he works, will keep the dogs during the day. This man, Robin Ellis had hitch-hiked from Maryland with these dogs.

Mr. Mayer discussed the 16 acre property gift on Onyx Cave Road, with several realtors, and it was decided the society would ask $1,000.00 per acre.

Due to the fact that Mr. and Mrs. Mayer would be leaving Eureka Springs for the winter months, the members discussed the chance that Artie Gunnels might come back to work at the shelter until next spring. We all felt more dogs would be placed if someone were at the shelter for three hours in the afternoon. Mrs. McGrade made a motion, which was passed, that Richey should call Artie and see if she would work five days a week, three hours in the afternoon, at $2.50 per hour.

A motion was passed that there would be no general membership meeting in Dec.
